

Product Specification Sheet

Targus 15.4" Mobile Elite Topload Part #: TBT039US

Product Description:

The Targus Mobile Elite Topload with patented SafePort™ Air Cushion System provides significantly more protection than cases with basic foam, as shown in tests performed by an independent testing agency. The laptop compartment is designed to help protect 15.4" widescreen laptops from drop damage. The workstation includes a business card holder, credit card holder, pen loops, key clip, accessory compartments and a large zippered mesh pocket for additional storage. A separate dual file folder compartment includes storage for documents while the quick access slip pocket provides space for magazines and other items. For added comfort and convenience the case features a padded shoulder strap, padded nylon handles and a trolley strap to easily transport the case on rolling luggage. The case includes molded feet to protect the bottom and is constructed of durable nylon and polyester material, making the Mobile Elite Topload a dependable case for the everyday user.
